B1 comprehension worksheet (sample)

A short dialogue with questions. Read it (or ask your teacher for the audio) and answer without looking.

A: Excuse me, do you know when the next bus to the centre leaves?

B: I think at a quarter past ten, but on Sundays it only runs every half hour.

A: Oh well, I'd better walk then. Is it far?

B: About twenty minutes if you go through the park.

Questions. 1. What day is it? 2. How often does the bus run? 3. Why does A decide to walk? 4. Which way is recommended?
